Hello,

We are happy to confirm that all food-contact parts of the Cuisinart TOA-70NAS Air Fryer Toaster Oven—including baskets, trays, racks, and interior surfaces—are **100% PFAS-free**.

For more detailed chemical information and disclosures, we've attached a link to our official documentation for your reference [Sites-us-cuisinart-sfra-Site](#)

Thank you,

Cuisinart Consumer Service
